

DOYLE

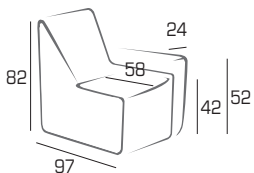

Doyle is a collection of modern upholstered sofas, featuring a system of bookcases and storage compartments hanging sideways or at the back of all the items in the collection. Available on feet or terrain version, regular and maxi depths. It is the evolution of the monocoque sofa, whose features are characterized by soft and deep seating, which resemble almost the gummy candy.

- 1 - seating: padding in feather, backrest: feather;
- 2 - high resilience polyurethane foam of different densities;
- 3 - structural frame in plywood;
- 4 - structural frame in HDF;
- 5 - feet in black, silver or white ABS/ metal feet.
